THE DESIGN: *You and I were created to be...*

... fueled by God's Love!

...that you, being rooted and grounded in love, may be able to comprehend with all the

saints what is the breadth and length and height and depth, and to know the love of Christ which surpasses knowledge, that you may be filled up to all the fullness of God. (Ephesians 3:17-19)

...guided by God's Truth!

"If you stick with this, living out what I tell you, you are my disciples for sure. Then you will experience for yourselves the truth, and the truth will free you." (John 8: 32-33)

...filled with God's Joy!

... for the **joy** of the LORD is your strength!" (Nehemiah 8: 10)

*God pursues you
to love you into
a whole new way of living!*

THE PROBLEM: We are in bondage to a self-centered lifestyle. This means we naturally tend to run our own lives, neglecting God's Love and Truth. No matter how hard we try, the very relationships we cherish tend to unravel and become poisoned. The inevitable result of such a life is spiritual death. And all the while our hearts are crying out, "There must be more to life than this!"

THE SOLUTION: God sent His Son, Jesus, to set us free from a self-centered lifestyle. In dying on the cross, Jesus (God) identified with our pain, sin, and selfishness and gives us the power to live in a whole new Way.

This begins with a conscious **DECISION** on our part to receive and commit ourselves to God's solution:

...Ask **forgiveness** for a life lived outside of God's Love and Truth.
...Ask Jesus to **rescue** you from the bondage of that lifestyle,
...**Commit** 100% to receiving His love and following His guidance in **all** areas of life.

In short, we put **God** into the driver's seat of our life. This act of surrender opens our heart's door to the joy of the original design! God changes us from the inside: We start to experience a deep love toward Him, toward others, *even toward ourselves*. We discover a new life purpose because of this new Companion.

Are you ready to respond to God's Call of love, truth, and joy through Jesus, right now?

A Sample Prayer to God: *Jesus, I really don't know you very well but I do feel you tugging on my heart today. I am sorry for all the times I've tried to run my life without You and I do dedicate myself - all that I am and all that I have - to following Your Way of Love and Truth for me. Please heal my hurt and wounded parts inside. As I seek to follow You above all else, help me to listen for your gentle voice to me through Your Scriptures and through other people in my life. Let's do this step by step, Lord. Thank you for helping me move from fear to faith everyday.*
