

YOU HAVE BEEN CHOSEN to be filled with unconditional love every day! Out of that overflow, you have also been gifted with a mission to spread that life-changing love to all who you meet. You don't have to live life alone! There is a Companion who will never abandon you but will guide you into your purpose and power. This is about *quality living!*

THE PROBLEM: We are in bondage to a self-centered lifestyle. Even the

"best" of us naturally tend to run our own lives, manipulating and striving to shape our own happiness. But, no matter how hard we try, the very relationships we cherish tend to unravel and become poisoned. So we try *harder*. But all this striving produces is more stress. And all the while our hearts are crying out, "*There must be more to life than this!*"

THE SOLUTION: God sent His Son, Jesus, to set us free from a self-centered lifestyle and liberate us into a life of purpose and power. In dying on the cross, Jesus (God) identified with our pain and brokenness, demonstrating a love for each of us that can never be taken away. Coming into an experience of God's unshakable and relentless love is the game changer. Life becomes an exciting adventure lived in the company of a true Friend.

So all this begins with a conscious **DECISION** on our part to receive and commit ourselves to God's solution which includes:

... **RELEASE** your hurt and brokenness into the hands of the One who doesn't judge you but invites you to walk in New Life.

...Ask Jesus to **RESCUE** you from the bondage of a self-centered lifestyle that can only end badly, and

...**RESOLVE** to grow in God's direction for your life, courageously stepping into unfamiliar territory, learning to trust Him more and more each day.

In short, we put **God** into the driver's seat of our life. This act of surrender opens our heart's door to the joy which God intended for us all along! God changes us from the inside: We start to experience a deep love toward Him, toward others, *even toward ourselves*. We discover a new life purpose because of this new Companion.

Are you ready to respond to God's personal invitation?

A Sample Prayer to God: Jesus, I really don't know you very well but I do feel you tugging on my heart today. I am sorry for all the times I've tried to run my life without You and I do dedicate myself - all that I am and all that I have - to following Your Way of Love and Truth for me. Please heal my hurt and wounded parts inside. As I seek to follow You above all else, help me to listen for your gentle voice to me through the Bible and other people in my life. Let's do this step by step, Lord. Thank you for helping me move from fear to faith one day at a time.
