

**Lighthouse Community Church** has participated with the Kiva organization (<https://www.kiva.org/about>) since June 2020. A total of \$884 has been donated and used to expand financial access to help underserved communities thrive.

The lending has gone to 27 countries including countries in South and Central America, Eastern Europe, South America, Africa, and Southeast Asia. Loans have been made to support people with a monetary loan to succeed in agriculture, clothing, education, Housing, construction and many other efforts.

As the loans are paid off we then use that money to relend to another person or persons. We are currently changing the lives of 17 **The original \$884 has resulted in 77 different loans and has lent out \$2,805.**

We're helping to make a difference around the world!
